Possible Points

Your Score

Condition of materials (*i.e. removing damaged florets, all materials properly handled*)

5. Excellent
4. Average
3. Fair

Proper use of mechanical aids (*Are the wire and taping methods used aesthetically acceptable? Are bare wires showing? Is tape loose or bulky?*)

15. Excellent
13. Good
11. Average
8 Fair

Techniques for proper construction (*Is the back and finished stem of the corsage neat and aesthetically pleasing? Is the corsage constructed according to the order? We know this is hard to judge properly, but from back picture do your best!*)

30. Excellent
27. Good
24. Average
21 Fair

18. Unacceptable

Balance (physical and visual): (*Do the flowers and accessories complete a total composition? Is the physical balance of the corsage such that it can be worn comfortably and properly?*)

30. Excellent
27. Good
24. Average
21 Fair

18 Unacceptable

Scale (proportion) (*Are all materials in correct proportion to the overall size and wearability of the corsage?*)

Unity (harmony): (*Does the design produce a single overall effect? Is it pleasing to the eye?*)

Focal Emphasis (*Is there an area at which the eye will rest?*)

Depth (*Has a three-dimensional appearance been achieved?*)

20. Excellent
19 Good
17 Average
13. Fair
