Ranking*****

After scoring presentations, each judge will use their total score to rank the teams numerically without consultation among judges. All judges' rankings for each team will then be totaled together. The winner will be the team whose total of rankings is the lowest (low point score method of selection).

District and regional teams will be rated **gold** or **silver**. State semi-finals teams will be rated **silver** or **bronze**. State finals teams will be rated **gold** or **silver**. Determinations should be based on the score break of the performance. The top team and an alternate will be selected to move on to another contest level.

Placing and awards shall be determined utilizing the Guide to Ranking Teams and General Rules Governing Michigan FFA Leadership Contests.
